

Stonepark INC

Proudly Canadian

Light Veneer Stones Made In Canada.

- ▶ Light weight design can be used in both Interior/Exterior projects
- ▶ Stonepark Veneer Stone products will not require brick ledges or structural footings
- ▶ Much more affordable than naturel stone
- ▶ Stonepark veneer stones are designed to be part of any DIY projects.
- ▶ With over 300 Color and Style combinations Stonepark products will give you the best selection on current market
- ▶ Manufactured to CSA standards
- ▶ Can be installed onto virtually any wall
- ▶ Excellent for any renovation or new projects
- ▶ Tested and Proudly Made in Canada for Canadian Climate

Our 50 Year Warranty!

Stonepark Veneer Stone products have been designed and tested according to Canadian Climate and environment. With a proper installation our stones will last 50 years or more. If Stonepark Inc. products are installed according to our specifications we will replace the product if there are any manufacturing defects.
